

Dust-Catching Sticky Mat (45x90 cm)

ESD Sticky Mats are essential for medical, pharmaceutical, and biological areas, as well as static-sensitive environments.

The ESD-rated adhesive mat is suitable for use in static-sensitive areas.

Available in framed or frameless versions.

Provides comfortable use for pedestrian and cart traffic.

Collected dust does not transfer onto the mat.

Each pack contains 30 sheets; each box contains 10 packs.

Technical Specifications:

Excellent dust and particle capture: 99.80%

Thickness: 30 µm, 35 µm, 40 µm, 45 µm (±5 µm)

Color: Mavi

Surface Resistance: 10^9 - $10^{11} \Omega$

Adhesive (g/25 mm): 350 ± 50 g (surface) – adjustable; 700 ± 50 g (bottom)

Material: Polietilen (LDPE)**Bacterial Reduction:** % 99,9**Size:** 18"x36" (45x90 cm) 18"x45" (45x115 cm) 24"x36" (60x90 cm) 26"x45" (65x115 cm) 36"x45" (80x130 cm)**Product Code:****SM-4006:** 18"x36" (45x90 cm)**SM-4005:** 18"x45" (45x115 cm)**SM-4007:** 24"x36" (60x90 cm)**SM-4008:** 26"x45" (65x115 cm)**SM-4009:** 36"x45" (80x130 cm)***Compliant with IEC 61340-5-1:2016***
